

January Learning & Development

We hope you enjoyed 2019 as much as we did - a year full of learning new skills, growing our volunteer-forces and building strong collaborations.

The Volunteer Centre team would like to wish you a happy new year! Here's a little sneak peak of what we have for you in January...

24th January 2020

A Thank You For Volunteers

at Leighton House

Our January schedule has yet another treat for you to say thank you to your volunteers.

We are running our fabulous Operation Cup of Tea at Leighton House, and you are invited to join us with your volunteers to enjoy a session of tea, cake and a stroll round the museum.

One of our magnificent volunteers will also be taking us round the museum, sharing some interesting facts and fascinating stories!

To book contact Terry:

27th January 2020

Goal Setting & Problem Solving

11:00am-12pm

at The Volunteer Centre

Knowing the first step to take is not always easy.

This workshop delivered by Community Living Well will help you learn how to set achievable and realistic goals. Dedicated to local volunteers this session aims to offer skills that will help you plan future steps, volunteer-related or otherwise!

Interview skills

12:45-4:30pm

After a session packed with tips on goal setting, the afternoon will be filled with opportunities to practice those useful interview skills for volunteering, employment and beyond!

The HR team from RBKC are giving their time and expertise to support local people to take that next step in approaching new opportunities.

Book your 1-2-1

Communications Mentoring

While everyone can communicate, doing it well is much more than just words! Everything you do, say, or stand for communicates something about your organisation.

A local volunteer with years of experience working with leaders, is offering mentoring support to local organisations on their communications needs.

Mentoring would help your organisation succeed through effective listening, analysis, strategy development and a common-sense approach.

If you feel your group, organisation or programme would benefit from mentoring support on any of these topics, get in touch for an initial chat!

For more information on the Learning and Development Programme, please contact Elena: 020 8960 3722 / elena.zeniou@vckc.org.uk
